Old Business:

MOU between Fair and TCYMAS. Celeste has been working with Thomasina .

The memorandum of understanding the exhibitors sign has been updated with current information. Changes were made to the goat section to point back to the WA state 4h policy and procedures handbook. Fryers and turkey weights and verbiage was updated per recommendations from Lorraine. Neil moved to approve the MOU, Josie seconded the motion, motion carried.

Important Dates: April 30th Steer intents are due

June 1 All other intents due

June 15 Photos for the Catalog are due from exhibitors

Wednesday, July 30th Weigh in 6:00pm to 8:00pm

Celeste will draft a calendar of our meeting and important dates to share on our social media sites.

Website information, Nicole will gather the meeting minutes from previous meetings.

2025 Financial Plan:

Budget for this year has been tables until next meeting.

Processors: Tessa asked the question if we need more than 3? The group felt that the options given were good and to continue same as last year with 3.

Celeste reached out to McPhee's and Feral Woman Farms about processing the birds this year and has not heard back. Nicole knows a local woman that may be interested in processing birds for us if the other two are not available.

Fair tickets on post cards: Post cards were well received, and Tessa will work on the address spreadsheet.

Auctioneers: Celeste put in an email to Todd and Mark. She is waiting to hear back.

New Business:

Per Justin Wickoff- The fair is moving to Fair Entry system this year. They have offered to allow the Market sale to use the program so long as no money moves through the site. This would not be an issue since we do not pass money through our current software program. The question was asked about being able to customize the page with our own header and information. Justin was going to check on this and report back.

The company that the software that we use for tracking was sold but our license is good until 2028. Nicole and Josie volunteered to be the guinea pigs to test out fair entry if there is a "sandbox" to work in.

Banner for TCYMAS:

Justin would like a medium to large banner to place on top of the fair van when they are entered into parades. It was discussed as to what it should say. The group collectively came up with should say the "Saturday evening of the Fair" It was suggested that we include a QR code or the website for TCYMAS as well.

Meeting Adjourned 8:20

Next meeting February 26th, 2025
